To Whom It May Concern:

Please be advised that the nylon and poly material supplied by KNF Clean Room Products Corporation and KNF FLEXPAK Corporation complies with the FDA regulations of 21 CFR section 177 for food and drug applications, as well as relevant requirements of EU 2023/2006/EC, 2011/65/EU-amendment Directive (EU) 2015/863- and EU 2002/95/EC for pharmaceutical packaging requirements.
KNF Organization also complies with European Pharmacopeia 5th Edition supplement EPF 5.0, 3.1.3 and 3.1.4., to REACH 1907/2006-18 December 2006, Conflict Minerals Dodd Frank Section 1502 and California (OEHHA) Proposition 65. We also comply with Food Approval with declaration of conformity including compulsory regulation 1935/2004/CE and regulation 10/2011/CE.

Additionally, material supplied does not have any of the following intentionally added, used or contain any melamine, latex, phthalates, animal, or animal derived products, sulphate ash, Ortho-phthalates (including Diisononyl Phthalate-DNIP), Bisphenol A (BPA) or Perfluorochemicals (All derivatives).

We appreciate your continued interest in our material and feel free to contact us if we can be of further assistance.

Very truly yours,

KNF Clean Room Products Corporation.
